Europa Nostra UK webinar Thursday 23 May – Cleveland Pools, Bath

[Europa Nostra UK](#)'s webinar series features winners of the prestigious Europa Nostra Awards. The sixth webinar, introduced by Paul Simons, will celebrate the 2023 winning entry, the Cleveland Pools in Bath, which forms a component of two World Heritage inscriptions, the [City of Bath WHS](#) and the more recent [Great Spa Towns of Europe WHS](#).

The pools are the oldest open air public swimming pools in the UK probably

surrounding region but remained closed and disused since the 1980s.

This unique historic site with a rich cultural heritage underwent a comprehensive restoration. The Cleveland Pools Trust embarked on the journey of restoration in 2004 and reopened the site to the public; however the Trust is increasingly aware of the impact of climate change, including how they are now facing a complex situation following this winter's floods which has temporarily closed the Pools.

Join the webinar to hear Cleveland Pools Trustees share how they achieved their goal, what lessons they have learnt and what impact this project has had.

The webinar takes place on **Thursday 23 May 2024 17:30 – 18:30 BST**.
